Street Closure Announcement: Cleveland and Tyler

Beaumont, Texas – The intersection of Cleveland Avenue and Tyler Street will be closed to through traffic for the construction of a new pump house and the installation of a water line. The closure is expected to last through Friday, Aug. 5.

Motorists may detour around the intersection on Taylor Street, Birmingham Street, and Monroe Street. Motorists are asked to be aware of all detour signs, advance warnings and other signage, and to travel with caution.
